

Memorial Donations

**RADCLIFFE
ANIMAL CENTRE**

We are honoured that you have chosen to collect donations in memory of your loved one. We hope that you find this information helpful in ensuring those donations reach Radcliffe Animal Centre directly.

We are an independent Trust, managed and financed separately to the national RSPCA but working together for animal welfare across our community.

Setting up online memorial donations is a popular, safe and easy way for family and friends to donate to a loved one's chosen charity, helping to make a lasting difference.

It is important however in creating the online donation platform to detail specifically RSPCA Radcliffe Animal Centre or RSPCA Radcliffe Animal Shelter Trust, Registered Charity 503759. You can then signpost friends and family to donate, reassured that your donations will be helping animals here at this centre. Should you simply use RSPCA then donations will go directly to the national society and as we are funded independently, they will not reach us.

Look for our logo below if you are not sure.

Should you require further help or information then please contact us on 0115 855 0222 or info@rspca-radcliffe.org.uk

Thank you for your kindness at this difficult time.
