# PLEASE REMEMBER US IN YOUR WILL

It will make a huge difference to our animals

Gifts in your Will left specifically to **RSPCA Radcliffe Animal Centre Nottinghamshire Registered CIO 1212852** will help us to:

- Fund vital veterinary treatment and care.
- Rescue, rehabilitate and rehome local animals in need.
- Educate and develop a more compassionate society.
- Help safeguard the future for vulnerable animals that need our help.

Radcliffe Animal Centre is an independent Trust, that is managed and financed separately to the national RSPCA but working together for animal welfare across our community. We rely entirely on donations and legacies left specifically to Radcliffe Animal Centre so that we may continue our valuable work. We do not receive funding from the national RSPCA.

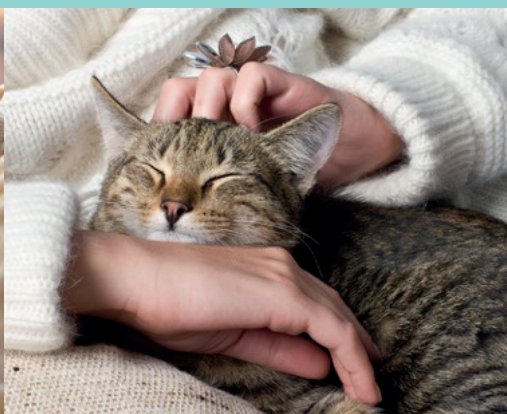

We would be honoured for you to remember us with a gift in your Will. To ensure your gift reaches our animals here, please be sure to specify:

**RSPCA Radcliffe Animal Centre Nottinghamshire Registered CIO 1212852**.

Should you or your solicitor need any further advice please contact us and please help us to share the message that we are an independent Trust.
